Tobacco specialty Store/Retail

For health Reasons, I unfortunately have to give up my well-run representative Tobacco shop in the immediate vicinity of the Station.

Here there is a great Opportunity for Start-ups to Start Their Own business immediately and to be able to Entertain a Family.

The renowned Business has been in Line with the Company since 1948 and carries itself well through regular Customers (approx. 50%) For my Articles. The Main Clientele not only comes from the Village, but also recruits itself from a Radius of more than 25 km.

In Addition to Cigarettes, Cigarillos, Cigars, Pipes and Smoking Accessories of all Price ranges, the Store has a well-visited lottery arrival point. I continue to sell Press, Gift Items, GVH tickets (GVH = Wide-body Hanover), Kiosskware and, on a small scale, retail goods, In addition to a parcel Service For GLS.
