Offer Corporate sales, firm sales, sales

Web design, programming, shop system, components

Offer the sale of my well-run small online company with professional logo (CI), professional appearance and, among other things, own online shop component (software). The shop is property and independently programmed, so can be sold independently in price and number as desired. Domain (transfer of rights) and print templates . In addition, there is a dedicated perimeter search component, a support component, and a league manager. The components are programmed for a well-known Os Cms.

There are no employees or offices.

The company website currently has about 100 hits / day without the advertising is operated.

The entire package is professionally developed and has been in existence for over 8 years. Among other things, well suited for

- > Start-up
- > Beginners
- > Extension of your existing operation

industry from home.

A main component are the rights to joomla's own shop component and as a standalone Cms.
