Care Provider RehaTechnik/HomeCare/Medical Technology

We are looking for outpatient Service Providers from the Field of rehabilitation technology, also with Services from the Areas of HomeCare and Medical Technology.

We ourselves are a national Provider and are looking for new Locations to Optimize our Network. Liquidity and Expertise on our part are sufficiently available.

We do not limit a Sought-after company size at this time, as we are also prepared to take over only parts of The company (Asset deal; e.g. the Orthopaedics Or the Medical Home Remain with the Seller).

Contacts and Offers are treated in a very confidential manner.
