Real estate sales system

In order to Set up a new type of real estate sales system, I am looking for one or more investors who not only want to work or shape them actively as "Silent Partners," but also actively.

In my Opinion, the System is also very suitable as a franchise system by Issuing licenses (not only in Germany) Please only solicit serious Requests. This new System is particularly suitable for existing catering establishments.

The Investment Is needed to Purchase Operational equipment, Advertising, Rent and Salary Payment from Early-stage Employees.

Needed Venture Capital depending on The starting Size: 100,000.00-250,000.00 EUR

Capital

Region 73, Germany

Entry in own name
