Look for Corporate participation, firm participation

Wholesale/Mail Order

We are the Merchant at Your Side and are looking for active investments in a Wholesale/order company in Schleswig-Holstein/District Plön or nearby.

A Takeover/Succession would Also be of great Interest.

Since the commercial Management of a wholesale or order business could fit extraordinarily well into our Portfolio, I would be very happy to receive an Invitation to a Conversation.

Ideal for Start-ups who see Your Focus on Sales and seek Support in administration.
