Artist

Contemporary Artist seeking cooperation with patron (synergies, capital) in order to improve market position.

Revenues generated from our combined efforts are subject to the profit participation.

Adequate investments in professional PR, materials of higher quality and bigger projects as well as the employment of assistants to increase in production are essential.

Media used: paintings, sculptures and objects, installations, video and action art.

Topics artistically focused on are religious symbolism, superstition, mythologie; to be specified in the event of contact.

The artist is familiar with the international contemporary art scene and knows which steps are to be taken.

We are looking forward to a good collaboration.
