

The big business marketplace

Business for sale more than 15 years

ID 11781

Offer Corporate sales, firm sales, sales

Search engine, Internet platform, online Presence

We sell our fully completed web presence with a search engine portal on the Topic of Hospitals.

The entire Performance is programmed and runs flawlessly. All Data from the Hospitals and doctors of Germany are stored in Databases and can be accessed and compared according to a wide Range of search Options (for Diseases, treatments, surgeries, Body Descriptions, specialist departments, location, name, etc.) Be.

In Addition, a Marketplace for Company Presentations, a job Market for medical Professions and a Consumer Forum are integrated.

A very interesting advertising medium for the entire Healthcare system. From The Drugmaker to The practice Equipment manufacturers to the auxiliary manufacturers, all these Companies can display advertisement-effective Advertisements. The individual Hospitals also have the Opportunity to attractively enhance their Presentation with Photos and explanatory Descriptions.
