

The big business marketplace

Business for sale more than 15 years

ID 11873

Look for Corporate participation, firm participation

Systemhaus

In this Way, I am looking for a reliable Business Partner for a possible Start-up. Less of the Computer Scientist is sought than a Merchant, but sufficient IT skills would be Advantageous.

There is some operational and Business Equipment available, Which in addition, on my part, is to be included as a contribution in Kind.

The Business areas should be rough:-Internet

-hardware and Software

-I am Happy To provide Developments with more detailed information in the event of serious and serious Enquiries.

[Participation](#)

Region 94, Germany

Entry in own name
