Local TV Channels on the digital Cable Network

We are a Local TV saving station that is Successfully aimed at a specific Audience. The technical Reach is 300 TSD Households on KabelBW's digital Cable Network. The daily Program is produced in its own Studio, The Station is financed by classic TV advertising and by special regional Advertising forms. Currently, there are no Competitors with similar Program offerings and Advertising Opportunities.

The 12/7 operation is crucial because we want to expand our Range of programs And thus the Advertising Platforms. The Capital Requirement is 300 000 thousand Euros. A possible Investor does not necessarily need to be familiar with the TV industry.
