Ambulanceflight- and Ambulanceservice

Dear visitors, we have recently been advertised and is now trying again. Due to the high number of readers this industry seems to be interesting. In fact, it is a very interesting and safe project. The head office is where our help is needed especially by German residents / guests - in Spain. To implement our restructuring, we can look interested Investors as active / passive partners or even as a private lender in manageable capital framework from 5,000.00 Eur to 20,000.00 Eur sum of required funding. We have excellent cooperation with German and Spanish authorities and implementing partners. The personnel master is strictly limited and focuses on sales and marketing. In order for German travel insurance provider for the holiday than Spain and Portugal have more flexibility, we make the establishment of a branch office in Munich's district. We guarantee unternehmerische seriousness and sincerity.
