Bootsbau

Offer Sale of an existing German Limited liability company with wane Loss Lecture. Company has been dormant for 5 Years. Company dealt with the Trade Of Shipbuilding Concepts Shipbuilding Materials and Accessories primarily for Self-employment Bauer. The Company has a Trademark Right to the particularly simple and fast Way to produce several curved surfaces, this Method was patented worldwide and was used and implemented in almost 30 years of Activity for Boat Self-construction. More than 400 Ships of all Sizes have been built. Unfortunately, due to the Death of the Owner, the Company lies broken, but could be a good Foundation for an interesting And also lucrative task, as has been the Case for years. It would be a good Opportunity for an Acquirer who has come into contact with Boats himself and also understands something about continuing in this Direction, since the Self-build market is always busy.
