Business for sale more than 15 years

ID 13844

Look for Corporate financing, investor

Window Production

Capital sought as an Investment or Investment.

For the Growth Market window and Door Systems, I am looking For capital for the Realization Of a new Window system. The Market for these Components will explode in the next Few years. My Innovation meets all the Requirements for a modern Window system and also offers many other Advantages.

The Priority is the Patent Application, the Production of a Prototype, The examination of the System and Searches for a Company that could take over the Production.

Capital

Region 63, Germany

Entry in own name
