

# The big business marketplace

Business for sale more than 15 years

---

ID 13990

Look for Corporate participation, firm participation

## **Publishing house**

With very interesting and unique products of our publishing company we developed since a good position on the German-speaking market and established a good reputation. Due to the expansion in imminent foreign markets we are looking for active participations or partner to join with capital investment.

We look forward to your offer.

### Participation

Region 60, Germany

Entry in own name
