Look for Corporate financing, investor

## **Property Management**

We are looking for Investors who want to participate in The establishment of a Rental (Real Estate Investment Trust). The Focus of real Estate Investments is on properties from Foreclosure Auctions, renovation and Modernization Properties, which are developed, rented out and sold by us at a Profit.

Since the Tax Is exempt from Corporation Tax and legally has to pay out 90% of the Profits, this is a very profitable Investment.

Suitable For Investors with an Investment of €50,000 to €500,000.

More Information can be obtained from us.

### Capital

Region 68, Germany
