## **Wholesale Confectionery**

We are a Partnership and were founded in 2003 by today's entrepreneur. We Currently have an Employee. We are looking for a Buyer or Investment Partner for our market-ready product Concepts.

A Transformation into a Corporation is possible. The sought-after partner should, just as we "love food," and, if possible, have good Contacts in the Food Trade (national/international).

All Products have been developed by us and all Brands have been protected both nationally and internationally.

Our Customers are the Food retail Company (Aldi, Netto, Edeka, Bünning, tegut, etc.).

From – , we have implemented average annual Sales of approximately €1.2 Million. In , we lost a large Promotional Order with a Discount store, so we only achieved about €0.5 Million In Annual Sales.

With today's Corporate Structure, optimal Market Penetration is not possible.
