Fitness club for women distance-free

For private reasons we are looking for a successor for a microstudio (very family).

To hand over distance-free incl. device circle, member master and inventory to successors.
Rent: 780€ + 120€ additional costs

Studio:

The focus is on the topic of circular training and is rounded off with a small range of courses and nutrition advice.

Ideal for newcomers, newcomers, newcomers or start-ups in the field of sport, instructors, physiotherapists, naturopaths, etc. who want to become self-sufficient with an already established business and hardly any risk.

Description: Small women's studio that exists since , with kitchen and office, ample parking available, next door large food market, bakery, pizzeria, ice cream parlour and bookshop.

The only studio of this kind in town - unique. Clientele: Women only to be delivered into good hands ;-)

The property is also characterized by a low rental price and a central location.
