## **Craftsmanship**

Looking for one or More silent Partners in Startup Business Creation in a Market Niche on the Subject of Crafts, Services, Consulting and Sales. The Company will expand rapidly to the point of Coverage.

50,000 Euros are needed.

The Concept has already been presented to some Experts and has been described as a very patchy And forward-looking craft.

The "old" Craft is not reinvented, but is oriented towards the Future and is renewable.

The Concept will meet by Begin itself and will also generate High Profits.
