Logistics

Our Company offers an active Investment Opportunity.

Our Company is an experienced Service Provider for Freight Forwarders.

The Services include nationwide partial and Complete Loads, special and Rush Transports.

The Demand from Customers from different Industries cannot be adequately met at the moment due to a lack of Transport Capacity.

Thanks to our Know-how and extensive Network, there are good Prospects to expand the Market Position and generate adequate Sales and Returns.

We cannot currently manage the financial Resources required for the Expansion on our own.

We offer a stake still to be negotiated.
