Digital Controlling for E - Drives

We are a company in the digital control electronics at home, are looking for a partner to follow - rules.

We are owners and developers of one of the driving concepts inovativsten seek an active partner, even one with capital partners, which would be actively desired!

We develop e-Antiebskonzepte for automotive through to control for hobby and recreational purposes. (E-bikes, RC, golf, etc.)

No high initial capital ... the capital will only reinforce your sincerity.
