Trade in Commercial Vehicles and Construction Equipment

In this Way, we are looking for an active Partner with Knowledge in the Commercial vehicle and Construction Equipment Sector.

We have been trading in Commercial Vehicles since , which we buy exclusively from The Revaluations of Banks and Insolvency Administrators. The financial Situation in Europe offers extraordinary Opportunities for which we are currently broadly positioned, neither in terms of personnel or money.

That Is why we are looking for an active Partner with Negotiating Skills, Experience and Capital.

More Information can be found in a face-to-face Conversation.
