Look for Corporate participation, firm participation

Portal

Hi, I am Looking for someone who is Interested in or participating in an Internet portal. This requires manpower, know-how, but also Capital. A rough Concept has been worked out, it is the Music Industry, but it should be refined and worked out. The Target Audience is definitely there. Unfortunately, I do not have the Time to realize the Whole thing on my own, because I want to raise it in addition, so it is absolutely 1-2 People who want to participate.
