The Aegean Free Trade Area, with 380 Companies (many of German Origins), is the # 1 Export Zone in Izmir at the Crossroads of the European Union and the emerging Economies of Central Asia and the Middle East. The Aegean Free Trade Area is home to many German Companies. It generates more than \$5.0 Billion annually in Manufacturing and trading. It offers a state-of-the-art infrastructure from a Single source and a remarkable Set of lucrative financial And tax incentives. The Aegean Free Trade Area is an Export Processing Zone (EPC). An Industrial Park where most Barriers to trade, such as Tariffs and Quotas, are eliminated and the Government has minimized bureaucracy to create attractive financial Incentives and Offers, for new business models and around international Investors.
