Advertising and media agency

We are an agency for integrated advertising and integrated marketing. Our customers get everything from one source - from advertising to the final print product or Web page. We currently have 28 freelance employees, our customers and employees are located in Switzerland, Germany, Austria and Moldova. The contact (single point of entry) for customers are always on side.

Our virtualization technology allows us to join "Professionals" from all areas into virtual workplace, even if they are spread all over the country, or abroad.

In addition, this network allows us to realize cost advantages in the individual countries. This is why our business is highly profitable and competitive right from the beginning.
