Online trading martial Arts Equipment

For Sale is an established online retailer in martial arts equipment and apparel. The Shop is one of the top addresses in this Market segment and has been on the Market since . The online store is technologically up-to-date and has a very good Ranking on Google and other Search Engines. The Shop is very well known as a brand, also has strong Recognition due to its Name.

The Shop has excellent long-standing Connections with the leading Manufacturers and Suppliers as well as a small Own collection in the Field of Equipment and Clothing, which will be handed over in the course of the planned Sale.

The Challenges include targeted online marketing and, above all, the further Expansion of the B2B business with commercial Customers. This Area has been invested for two Years and an extensive Database of Target Customers has been created.
