Business for sale more than 15 years

ID 17495

Offer Corporate participation, firm participation

Fitness-device production

Looking for Investor

High yield!

Self-developed fitness device for fast-growing market.

First demonstrations at in-house exhibitions, sales and successes in reference studios confirm our future success.

To build a production facility, distribution network and advertising activities, we need new capital to financial participation.

Because this is a high quality professional device, the creation of an own branch chain is being considered.
