Look for Corporate financing, investor

## **Music label**

We are looking for a investor who wants to invest in music and would like to take new holistic paths.

We have a unique idea to make it easier for today's musicians to enter the industry. In addition, we want to be the point of contact that makes transparent what others conceal. We want to offer a complete package for bands and musicians to make a name for themselves in the music business.

### Capital

Region 71, Germany

Entry in own name
