Private Employment Services

Private employment/headhunting and Human Resources consulting in the Field of Medicine & Care within the entire EU and non-European Countries.

A complete, experienced and highly motivated Team has been supporting me in various Areas of Human Resources services for Years. I built up The Field of Care and Medicine more than 12 Years ago and now recruit very successfully medical Professionals for the German Labour market far beyond the EU. We now have a very solid Network of Partners: From language schools to Authorities for Funding Programmes, through Intermediaries in the EU, who are responsible for low Expenses in the Search for Specialists and Assistant Doctors as well as nurses. Support. We also give Direct Lectures at medical Schools in their respective Home Countries in order to create a solid Basis of trust.
