Car paint, coating company

Long-standing and successful enterprises in the field of car painting and surface coating as well as corrosion protection with a focus on the coating in the industrial sector (heavy wear protection) to sell.

The company is a GmbH with a headquarters in the Ruhr region, long-standing customers, including insurance companies and group works contracts, give the support for a promising future.

What is sought is a successor e.g. merchant, master, technician

Alternatively, you can also start with a cross-starter.

The company is to be handed over because of the owner's retirement. The aim is to ensure a reasonable and stable basis for the successor, for which the seller offers an intensive familiarisation on request.

The seller has no pressure and pressure to realize the sale. The future successor must be able to have appropriate liquidity, foreign financing based on the company figures is not a problem at all.

[Succession](#)

Region 46, Germany

Entry in own name
