

Look for Corporate financing, investor **Construction Company**

Our Company is a small Craft Company that specializes in the Renovation of real Estate. Thanks to years of Contacts with other Construction companies, all Construction Work services can be carried out.

An Investor Is now being sought who is interested in buying a property in need of refurbishment. This Property is being renovated by our Company and sold at a higher Market Price.

There are several Models when the Process runs:

- 1) The Investor buys and sells the Property and pays our Craft Company a fixed Agreed price for the Refurbishment.
- 2) The Investor buys and sells the Property. After Deducting the Return for the Investor, the Difference Amount is paid to our Craft Company.
- 3) The Investor participates in the Company and brings the Property into the Company.
