Software Development and Sales

For Sale or Participation is a Company that develops and sells a Software for the Management of Day care facilities in North Rhine-Westphalia.

Currently unique Software, which allows Controlling, personnel planning and many other Modules. Use in Providers of Day care Facilities. It is not one of the many Programs used in the Kitas for its own Administration. Our Software is used in Combination, in Other words in the Kita and in the Administration. Central Database thus uses all input from all Departments in Real Time To Calculate The budget.

Customers (public only) pay monthly maintenance Allowance. Very safe and long-term Revenue.

We have a lot of Demand and therefore we need to expand. There are around 9,100 day care facilities in North Rhine-Westphalia. We currently have just under 4% of them as Customers.
