Offer Corporate sales, firm sales, sales **Eventservice**

For health reasons, at the end of the year, I am separated from the trade of my own patented beer. We distribute the beer internationally, nationally, regionally, as well as at many festivals and in the Onlineshop.

The company is debt free and all things are available. For sale are refrigerated wagons, own reusable boxes including bottles, sixpack packs, the patents, the domains as well as the onlineshop.

We also provide many full-service events. Here, too, there are inventory such as tents, counters, mugs ...

All employees have a perspective starting from January and do not have to be taken over. I am glad to be available to you as a consultant in the new financial year.

Business resolution or takeover / delivery takes place as of 31.12.
