Nail/Cosmetic Studio

The well-established studio with a fixed customer base is enjoying a growing number of customers. The studio is rented (90m²), close to the centre. Underneath the complex is an underground car park. The main room is 60 m² in size, in which are the reception and waiting area. From here you can get to the 3 work tables for fingernails, treatment lounge for eyelash options and treatment place for foot care. A separate room (about 10 m²) with 2 windows is available for cosmetic treatments. There is also a customer toilet, a coffee kitchen and a storage room. The premises are clean and well maintained and comply with hygienic standards. I work together with 3 part-time staff.

The monthly rent is €550 plus VAT €104.50 = €654.50, by-cost monthly €150 plus VAT €28.50 = €178.50, electricity months. €92.
