Store bakery

Bakery store operation Attractive purchase price

Due to the death of the owner and lack of successors, a bakery in East Westphalia is for sale.

Sales 3 million euros, of which 10% of delivery sales, 10 stores. Main business, administration and grown production hall are owned. The store locations are rented and are within a radius of about 12 kilometers to the production site. The facilities and machinery are in good, well-maintained condition.

The company has a sustainable return on sales and is expandable. The sale price is attractive and roughly equal to the value of the property.
