

The big business marketplace

Business for sale more than 15 years

ID 20704

Offer Corporate follow-up, firm follow-up, follow-up

Two-wheeler

The company is located in beautiful Munich. In Isar near, the master has personally ensured customer satisfaction with an employee since .

The company offers its customers a professional bicycle repair of all brands and models. In addition, spare parts and bicycles are sold here. Many of the models are the master's own creations. The company also offers professional advice to its customers in order to find the best bike for the customer.

The company's company has gained a high profile since and currently has a good and loyal customer base. Thanks to the optimal location, right on a popular cycle track of the Munich population, there is a high volume of running customers. Through targeted advertising and expansion of awareness, there is still sufficient potential to expand the market. The brand name can be taken over.
