Wholesale food food distribution with 6 own brands

We are introduced a wholesale food distribution with 6 own brands, for 25 years nationwide in food retail (supermarkets owner led) and delicatessen retail (bakery, butcher's shop).

Our brands are located in the area of dry varieties

2 pasta brands

1 Tea Brand

2 confectionery brands

1 spice brand

All products with a long MHD and super margin.

All brands are produced by leading manufacturers in the respective industries. You don't need production skills, so you also need it for pure distributors. Logistics can, if necessary. Be taken over by an external logistician.

The company is currently based in southern Germany, but can operate with little effort, from any other location.
