ID 21353

Look for Corporate follow-up, firm follow-up, follow-up

## **Trade techn. Service Craft**

In this way I'm looking for an exciting challenge to get started in a technical area or trade. I would like to accompany the company to continue. This can be done now. The company to be acquired should be located in the Saxon Switzerland region and the surrounding area.

### Succession

Region 01, Germany

Entry in own name
