Photo studio / photo shop

Our photo shop is located in 1985 in near the main railway station.

Our strengths are passport pictures and application photos either directly to take away without or with an appointment.

We print photo prints immediately up to the 20x30 cm format, everything larger takes about three working days via our large laboratory.

We also offer the sale of cameras and accessories.

As well as the adoption of camera repairs and replacement of watch batteries.

We also offer photo albums and picture frames. Of course, we also like to frame the pictures ready.
