Offer Corporate participation, firm participation

Full service advertising agency

Offer 24% stake in a well-functioning advertising agency. The participation does not entail any obligation for an active management position.

The agency was founded 20 years ago as a classic advertising agency and has focused heavily on digital channels over time. Approximately 60% B2B communication. 40% B2C orders.

The advertising agency has a strong network in the continuing education industry and therefore also has a large share of customers from this sector. The management consists of the two other owners.
