Meat trade & online trade

We are a company that sells exclusively high-quality bison meat from North America in Germany. In order to expand our business activities, in particular sales to business customers, we are looking for a co-partner:

The main focus is on:

- Building up the company
- Acquisition restaurants and trade
- Strengthening the brand
- Daily business (largely in the field of logistics)

A full-time assignment is not necessary for the co-partner, so he can be flexible in time. What is important to us is not financial participation, but the common vision.
