Outsourcing - Accounting / Human Resources

For sale is a successful limited liability company (GmbH) from the areas of outsourcing of personnel/accounting services from the Munich area. The shareholder and founder wants to sell the company for reasons of age. The many regular customers of different sizes come from different sectors (including retail, technology, system catering) and are partly internationally active. Sales have been in the mid-six-digit euro range for years and have been operating profitably for years. The target region is the DACH region. The marketing strategy is currently focused on successful word-of-mouth propaganda and online marketing measures. The company uses well-known and accepted software programs. The company has a professional and experienced team of employees. We are happy to send you a detailed company expose.
