School authorities

For our educational institutions in the field of secondary schools (state-recognized) we are looking for a successor who will be able to operate the company if necessary. together with other institutions. Our facilities have fixed assets of over 15 million euros in the form of real estate and real estate. Digitalization is complete. Infrastructure including staff fully available. Currently, the annual turnover is about 1 million euros. An increase in sales of up to 100 percent can be realized due to the building resources. The schools receive the usual state subsidies and are thus largely financed by public funds. The condition is the operation as a foundation or non-profit GmbH.
