

The big business marketplace

Business for sale more than 15 years

ID 23119

Look for Corporate sales, firm sales, sales

Mechanical engineering

I am looking for corporations with loss carryforwards. The company should ideally be inactive and have no employees. Loss carryforwards should amount to at least EUR 1.0 million

I am only interested in buying 100% of the business shares. The purchase price is based on the amount of the loss carried forward.

[Corporate sales](#)

Region 63, Germany

Entry in own name
