Look for Corporate participation, firm participation

Medical technology company and production of intensive care goods

We are looking for an established medium-sized company in the medical sector, ideally in the intensive care sector for a strategic investor.

Our client is characterized by an above-average investment in the R&D area, high expertise and the financial resources to protect patents. Also a continuous development close to the needs is in the focus of the client.

The client is open to a purchase of a company with the departure of the management as well as a minority stake under the retention of the existing management.

If you are interested or if you have any questions, please contact us. We are looking forward to hearing from you.
