Offer Corporate sales, firm sales, sales **Online trade for motorcycle parts**

I offer an online shop for motorcycle parts. The company was founded in and takes the form of a partnership under civil law (GbR). In the beginning, used motorcycle parts were sold, especially from Ducati engine edges. Since , the construction of new parts took place, in particular Kettensatz and their listeners for all motorcycle brands, as there were very interesting opportunities to get quality goods. In the years and , the database was built up with all motorcycle articles, which are still actively sold today. In , the GbR was converted into a single company because my former business partner left the company.

Company activities:

It is mainly offered via ebay and its own online shop, chain sets, motorcycle chains, pinions, sprockets and brake pads for motorcycles of all kinds.
