## Offer Corporate sales, firm sales, sales **Stationery / Lotto / Magazines**

The lovingly decorated and popular press and stationery shop with lottery office was founded in 1987 and successively expanded in recent years. As a central point of contact in the village, the company enjoys regular customers in childhood up to retirement age. In addition to a wide range of magazines and stationery, the company offers greeting cards, gift items from well-known manufacturers, toys and electrical appliances on a sales area of 80 m². There is also a laundry room and a small warehouse. The lottery acceptance point has received several awards and is considered the top address in the region for raffle sales campaigns. Infrastructurally, the shop is located on a main road with ample free parking. The village has a train station of the regional train and good bus connections. The company was allowed to remain open regularly during the pandemic and is considered systemically important.
