Offer Corporate sales, firm sales, sales **Passenger transport**

To the company succession in the Westerwald
are two companies from the industry
Taxi and rental car. The classic taxi
Operation is not available for both companies
more mainly in the economic foreground. Crane
Transport of persons or public transport
local transport are the main business
fields. Both companies can be individually
can be purchased. Due to the spatial
Proximity, however, is a merger of both
an economically very sensible alternative
