

Offer Corporate sales, firm sales, sales **Laboratory**

OPPORTUNITY.

A dental laboratory that has existed for over 25 years in a very good and central location in the north of is to be handed over at short notice.

(If necessary, an earlier (co-)use of the laboratory would also be possible)

The laboratory is ideally suited for beginners as well as established ones, customer base can be taken over, move in and get started.

The prerequisite is the adoption of the inventory, i.e. the complete stock (no old stuff) as well as of all devices (fully functional) and furniture.

The laboratory is very well equipped, e.g. workstations with Beech wood, Zuber combi-press stove 300E, new 3 shape Scanner (E2) is available (leasing contract with short term would have to be taken over), etc.

The property is located in a beautiful commercial building, has in addition to very spacious and well-cut 120 sqm also over 2 parking spaces (possibly there is the possibility to rent more places). The laboratory currently has
