

Look for Corporate follow-up, firm follow-up, follow-up **Bridal Fashion Store**

I am looking for someone who wants to live a dream "between tulle and tears" with a lot of joy and passion.

If you have always dreamed of your own bridal fashion business, then send me a message with a short introduction. Long-standing, prosperous bridal & groom business for sale. The business was founded in and has been very well known ever since. We are looking for a successor for the business as we move away. We would like to hand over the business so that our customers continue to be well looked after.

We have many customers who are on recommendation and also many regular customers, to whom I would like to introduce a nice new owner. The offer includes the operating and office equipment as well as the current stock.

Goods and inventory:

approx. 400 wedding dresses from over 10 international well-known manufacturers
