Photo shop with post office

Our photo shop is located in the middle of the Ruhr area, is fully equipped and can be taken over immediately.

Our strengths are professional passport photos with guaranteed acceptance and application photos.

We print out photo prints up to the format 15x20 cm immediately, everything larger is done by our large laboratory.

We also offer the sale of cameras and accessories. We love analogue photography and have hundreds of used cameras and lenses in stock.

We are specialists for camera repairs and digitizations. We have almost all batteries in stock and have the possibility to deliver over 6000 electrical and photo items in 24 hours. We also offer photo albums and picture frames.
