Offer Corporate sales, firm sales, sales **Workshop for camping vehicles**

Ladies and Gentlemen

Are you looking for another location for your company or do you want to become self-employed?

We are a workshop for caravans and motorhomes in the heart of southern Germany, 20km from Ulm.

Our competencies are:

- Repair and service of camping vehicles
- Conversions and extensions according to customer requirements
- Accident repair
- Repair of all Truma heaters
- Expansion of special vehicles

We currently have 9 service contracts with brand manufacturers and service contracts with the major suppliers and a rental station with around 12 mobile homes.

We have no vehicle sales!

We currently have four workshop employees and a workshop size of over 1500 square meters, as well as office space and social rooms.

In our workshop there are 7 workstations that are 4.5m wide and about 12m long.

What advantage do you have?

- A well-rehearsed and competent team
- An additional location for better customer proximity
- A location that can be further expanded according to your wishes
- You can bundle work at one location
- And much more
- A large customer base
- A good reputation

If you are interested in a takeover or purchase, I would be happy if you would contact me.

The company is being sold for health reasons.
